If you really didn't think of this possibility
It's under-standable to share your plan with everyone
To be honest I find it hard to believe
But in when one person doesn't follow your plan, you would be screwed in your next turn

© 日更地獄 All Rights Reserved

What do you mean by that?!
NUMBER 0!!
Well we didn't say anything about grudges either
I don't hold grudges against anyone here, why would I hide anything from you?!
We are just curious if you hide anything BENIFICIAL from us
Haaaah?!
What benefits would I gain from thts place?
To me
Heee what do we have here?
DON'T BE JOKING AROUND NUMBER 10!!
May I...?
Someone is anxioss from getting his BENEFITS found out

Umm...
Yeah
Also
In this way we wouldn't know who did put or didn't put in the token.
There's no notification of sort in the gun system.
Everyone agreed with this plan number 1 devised
Starting from me everyone put in 1 token
H... how do I input it?
I only need to load one token, let's choose [Health]...
and press confirm
PRESS
PRESS
To do that I needed to press twice
After that...
Number 2!!
Let's start
Let's not delay this then
PRESS
Number 1 had to put in 9 tokens, he would have to press 4 times
But he seemed to have pressed only once
© 日更计划 All Rights Reserved

But I just wanted to make sure that every-one put in the tokens properly
I... I am sorry if I offended you...
YOU ARE TALKING LIKE I DIDN'T PUT IN ANY TOKEN!
There's one more thing
By the way
HOW ABOUT YOU PROVE IF YOU PUT IN ANY TOKEN?!
Were you confirming something to execute your plan?
Thanks
There you go
Can I take a look at it?
Miss Cen-taur
Before the game started you took the gun from Miss Centaur
If not...
I was just making sure of the gun's safety...
What are you talking about?

I also noticed something.
Are you pulling a fast one on me here?
BY THE WAY
Hey hey hey
Why are you all suspicious of me?
When you stood up,
I heard the sound that came from your pocket.
Sounds a lot of tokens to me
It's the pocket which stuff your tokens, right?
Jingling jingling jingling

U17.com 有妖气原创漫画

YEAH.
Just show it to us already
If you did put in the tokens,
Then why are you reluctant in taking it out?
SLOW ASS FUSSY
I bet you really were the culprit
Loosen
